Multilingual Dictionary Development Project

As part of the IB Middle Years Programme (MYP), I independently designed and developed a trilingual dictionary in English, French, and Arabic to promote language learning and cross-cultural communication.

The project involved extensive research, translation verification, and resource design, strengthening my analytical and organizational skills — and showed I can manage a complex, self-directed project with practical educational value.

Outcome: IB MYP Personal Project Diploma.

07 ARTS & COMMUNITY

Orchestra Performance & Public Speaking

Participated in an orchestra performance at the National Library and Archives, speaking on stage in front of a large audience.

The experience strengthened my public speaking, confidence, and ability to communicate in a formal setting. Performing alongside an orchestra also developed teamwork, discipline, and composure under pressure.

Public speaking **Teamwork** **Composure**
